

Production Plus
Beyond the Convention

Position: Hardware Prep Technician

Location: Letchworth
Job Type: Permanent
Hours: Core 08:30 – 17:30
Flexibility required
Salary: £16,000 - £20,000
Overtime available

Production Plus supply scenic and technical production to events, TV and filming all over the UK and globally.

We are now expanding our warehouse based team.

We are looking for a Hardware Prep Technician to work primarily in our warehouse based in Letchworth. Ideally we would like someone with experience or interest in the live events industry but training will be provided regardless, the most important thing is the right attitude.

Applicants should be comfortable with manual handling as this will make up a large part of the role.

To apply email a copy of your CV to:
recruitment@productionplus.co.uk

Do you have:

- + Experience in the Live Events Industry or AV technology?
- + A keen eye for detail?
- + The ability to:
 - ...meet tight deadlines?
 - ...handle heavy items?
 - ...work efficiently?
 - ...closely follow instruction?
 - ...work well as part of a team but equally independently?
- + Good verbal communication skills?
- + Full UK Driving Licence?
- + A sense of humour?
- + Forklift license (Desirable not essential)

Your day-to-day responsibilities would include:

- + Loading and unloading vehicles from vans to articulated lorries.
- + Checking in hardware coming back from shows, checking components and cleaning where required.
- + Correctly coiling and labelling cables.
- + Preparing hardware for outgoing shows.
- + Preaddressing of lighting fixtures and patching lighting desks for larger shows (Training provided)
- + Keeping clean and tidy warehouse areas.
- + Providing ad hoc assistance to the set department as and when required.
- + Adhering to Health & Safety regulations.

Closing date for applications:

Friday 15th October 2021
